

AGEING WELL

Our camera group consists of self-taught amateur photographers who enjoy capturing a variety of subjects.

All you need is a digital camera, a mobile phone to stay in touch, and access to a computer.

Our members can help you capture and edit your photos on Windows 8 and up.

We welcome all abilities and are happy to help improve your photography skills while making new friends.

Meadowbank Sports Centre*

Fridays

10.00 am – 12.00 pm

*every 2nd Friday the group is out and about at various locations taking photographs
