**Subject: Bike Theft**

Please can you tell me how many bikes were stolen on a daily, weekly and monthly basis from the Royal Commonwealth pool in 2023 and 2024 (so far).

**Response**

We have conducted reasonable searches for the information requested. Unfortunately, we are unable to provide you with the information requested as it is not held by Edinburgh Leisure.

We don't hold this exact information as we do not record it – we only know of the ones that have been reported to us from anyone that has had their bike stolen. We do not know for certain if that is the full amount or not. We have asked our IT department for how many tickets RCP has submitted over the period detailed for CCTV in relation to a bike theft.

They have found **15** tickets requesting CCTV relating to bike thefts at RCP over the period requested. We do not however know if that is all the thefts within the time period as we do not record this information.

Please note that this letter constitutes a formal refusal notice under Section 17 (1) of the Freedom of Information (Scotland) Act 2002.
